## **Meals on Wheels of Central Maryland Expands Relationship with Walmart**

**BALTIMORE (July 28, 2014)** – Meals on Wheels of Central Maryland is thrilled to showcase its newest van which is “wrapped” and sponsored by Walmart. (Photos below).

Last year, more than twenty-seven (27) Meals on Wheels of Central Maryland vans delivered more than one million meals to homebound seniors and eating together programs, enabling thousands of area residents to eat well and remain independent.

In all, the Walmart Foundation has contributed more than \$250,000 to Meals on Wheels of Central Maryland.

“We are excited that Meals on Wheels will be able to highlight our relationship with Walmart through our van wrap sponsorship program,” said Stephanie Archer-Smith, Executive Director, Meals on Wheels of Central Maryland. “Our vans are on the road more than 222 days a year and the visual presence that this partnership will have with Maryland motorists will be exciting.”

In addition to providing nutritious meals to homebound seniors and individuals, Meals on Wheels provides their clients with health, safety and wellness checks, phone pals, grocery shoppers, kibble connection pet food, companion visits and individual case management.

To learn more about Meals on Wheels of Central Maryland’s program and services, visit: [www.mealsonwheelsmd.org](http://www.mealsonwheelsmd.org) or call 1-866-558-0827. To learn more about van wrap sponsorship opportunities, call 443-573-0929.
